As our days at PopeJohn come to an end, we look back and realize how much these four years have been like a TV show rehearsal.

When actors fumble their lines and miss their cues, the director is in the background, ready to go over the scene for the thousandth time. At Pope John, we are the actors and the faculty guides us through scenes that are comprised of biology, history, and English. We make mistakes, but our directors guide us, and give us a second chance.

That's the reason the yearbook staff has chosen "TAKE 96" for our theme.

We make mistakes, but there's always a way to make corrections.

Now it's time. Quiet on the set. Pope John graduation sequence...

TAKE 96!!

When all else is left behind, TAKE your memories with you.

Sports

Cross Country

The 1995 cross-country team was a relatively small group composed of six girls and two boys. Under the leadership of senior Captain Diane Dugan, the team diligently practiced and strived to do their very best.. Efforts can be attributed to the outstanding performances of Anna Coviello and Fanny Lau. Anna consistently placed first for the Pope John team in every meet and Fanny was named an all-star at the CAC league meet. With the help of coach Sr, Nancy Brennan, the team should continue to achieve greater goals in the future.

The Pope John Forensics team studies the nearly lost art of rhetoric. After selecting pieces, some students pore over them, interpreting and revising as to be able to perform it with just the right intonation, diction, and form. This Yearbook is Dedicated to
Sr. Jean Vianney Norris OP

Throughout the years, Sr. Jean Vianney has been an excellent teacher who has enriched the lives of many people. Sr. Jean joined our Pope John family in 1973 and since then has been an important contributor to the growth and development of our school. This year commemorates her fifty years of service in the Dominican community of Louisville, Kentucky, a golden jubilee which emphasizes her devotion to sharing knowledge and spreading education.

With her great sense of humor and openness to students' ideas and suggestions, Sr. Jean made science concepts that seemed difficult a little easier to understand, and class itself a little bit more fun to attend. She also helped improve our science department by using new educational projects and labs. But Sr. Jean's accomplishments aren't just limited to the classroom. She has done a great deal as the former coach of our cheerleading teams, leading them to many victories and championships. Also, Sr. Jean has moderated the Recycling Committee for the past two years to make students more aware of how all of us can do something to help the environment. As one can see, she has done much for both the students and the school community.

These are in fact just a few of Sr. Jean's accomplishments at Pope John High School. For twenty-three wonderful years, she has instilled in all of her students learning and knowledge that will always be a significant part of their lives. The many people Sr. Jean Vianney has touched are forever thankful to have known such a person. Therefore, her retirement from our school is tinged with a touch of sadness and loss. Yet she will never be forgotten. For, in the words of Henry Brooks Adams, "A teacher affects eternity; she can never tell where her influence will stop."

Captains Joe LoBuono & Mike Fineran led Pope John's 1995-1996 baseball team to a number of close games. All-stars Carl Lombardi, batting at .363, and Jason Wall, winning pitcher of two games, led the team to the most thrilling victory of the year-- an 8-7 win over Tyngsboro. The team's consistent effort throughout the season shows much potential for upcoming years.

Softball

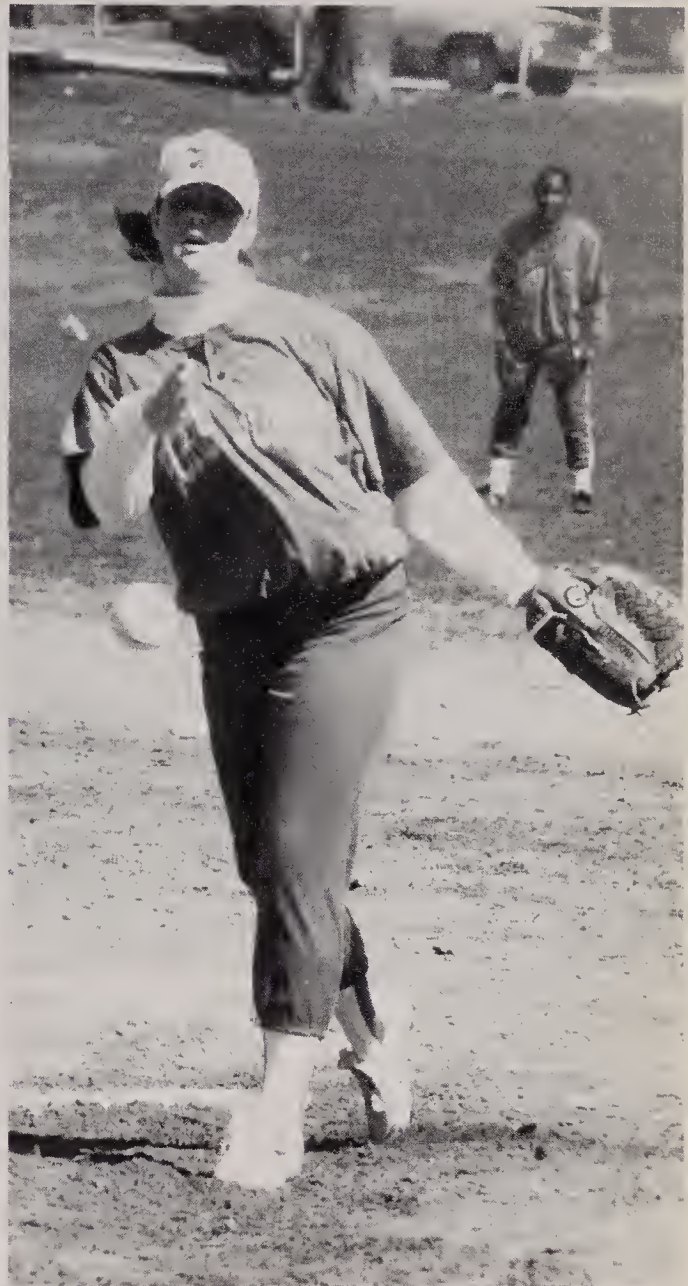

The girls softball team was led by senior Julie Donovan and Tara Murphy. Tara played in four different positions, wherever she was needed. Julie had to pitch four consecutive games on several occasions. Junior Jenn Ulwick did a great job both on offense and defense and helped to bring the young team together. Jenn was named League All Star for the third year. With only two seniors leaving the team, Pope John girls softball should have an even better season next year.

Back (L to R): Amy Frias, Jackie Behenna, Angela Andrioli, Karen Gontarz, Shana Stewart, Colleen McLoughlin, Heidi Chabuz, Tracy Lynch, Jennie Farnham, Sr. Nancy Brennan.
